

*"For unto you is born this day  
in the city of David a Saviour,  
which is Christ the Lord."*

LUKE 2:11

December 2020

Dear Friends,

It is almost Christmas and it is becoming apparent that in person Released Time Bible Classes will not be starting in January. However, we are still committed to starting in person teaching when we are able to safely do so.

In the meantime, we have a plan to keep posting new teaching videos to the RBMKids.org website at least twice a month. I have created a data base with the available e-mail addresses obtained from permission slips, and parents have already been notified that the videos are available. There are three Released Time videos there already, and I think that there is still access to the videos from this summer. I plan to send out a new e-mail every time a new video is available.

Until recently I have been able to do some in person ministry at churches, plus a couple of chapels. I had a plan to visit most of the churches that I work with by year's end but as the virus cases are spiking again I have had to set that plan aside.

But back to Christmas; on that first Christmas everything went according to God's perfect plan. So, even though I do not understand why things are the way they are, I can still rejoice that God's plan to send our Savior into this world to save sinners has been fulfilled. We do not know all of the future details that God has in His own control but we can rejoice because we know that all things are moving toward a wonderful forever with God and His people.

So, we at the Kurowicki household want to wish you a Merry Christmas and a blessed New Year. Thank you for your continued prayer and support. God bless you all.

Sincerely,

*Dave and Wendy*
