

"Assisting Churches in Reaching Children"

June 2021

Dear Friends,

Ecclesiastes 3:1 reads: "To everything there is a season, and a time to every purpose under the heaven:" In the fall of 2000, it was time for me to leave my secular job and become a full time RBM Missionary. At that time I was assigned to conduct Released Time Bible Classes in schools located in Jackson, Ingham and the northeast corner of Lenawee County. The first year, we started new classes at Clinton Elementary and Deerfield Elementary making Released Time available in every Lenawee County public school district. In the fall of 2009 I was assigned most of the rest of the Lenawee County Schools. God has blessed these classes and all were well attended and running smoothly before the pandemic hit. It is now the spring of 2021, and it is a new season and a different time. After much prayer, and for many reasons, we at RBM have decided that it is time to turn over the Lenawee County classes to RBM Missionary John Rodifer.

John has been conducting Released Time Bible Classes in Hillsdale County and Northern Ohio for the last four years. This move will allow him to work full time for RBM and will allow me to reduce my schedule by about half. Please pray for, help and support John as you have me in this ministry.

We at RBM trust that by this coming fall things will be back at, or close to, pre-pandemic normalcy for daily activities, including Released Time. I plan on continuing my work in Jackson and Ingham Counties for the time being as I move closer to full retirement. Also, I will still be available to fill pulpit or speak at other children's or adult events.

It has been one of the rich blessings of my life to work with and know you all. Thank you and God Bless.

Sincerely,

Dave and Wendy Kurowicki
