

SHEPHERD'S HEART

Presents:

The Loving Well Marriage Course

Loving Well guides a couple on a 10-session journey, examining the kind of attachment style that each partner brought into their marriage. We all need to be able to give and receive comfort and love in relationship, but our individual experiences cause us to perceive needs differently. Couples learn to use practical communication tools that will help them move toward deeper intimacy.

Facilitators **Mark and Mary Bonham** offer personal examples from their own marriage. Mark is the founder, counselor and Marriage Ministry Coordinator at Shepherd's Heart. Mary is the past director of Soul Care, a ministry focused on addressing spiritual and emotional needs. Mark and Mary have over 45 years of experience in successfully helping people address life and marriage issues.

Each participant receives a course book with exercises and assignments to be completed. The format includes teaching with a special emphasis on small group and pair work. Couples learn to work communication tools together. Course content presents the biblical foundation of marriage with help in the struggle of living out God's plan.

The fee for the course is \$139 per couple. Pre-registration is required, payable to Shepherd's Heart Inc. A payment plan or scholarship help is available. The next *Loving Well* begins on Zoom on September 15th from 7:00 to 9:00 pm. The course is limited to four couples and you must preregister to participate. Course books are mailed to you.

Registration forms are attached. For more information, contact Mark Bonham: 269-303-1597 or email: shepherdsheart1@gmail.com
