

"Serving the Church by Reaching the Children"

November 2022

Dear Friends,

We have gotten off to a great start on teaching the theme of *God Give Us...* The first lesson was "God Gives Us His Word." It was a joy to teach, to be at the familiar places, and be with so many familiar people. It was also special to meet so many new students that, hopefully, will become regulars.

There is one bump in the road this year. I have been waiting to write to you in the hope that it would be quickly settled and I could send you a complete schedule. However, one district has refused any meaningful cooperation with our ministry. Their main concern seems to be that our time with the students takes away from their time with the students. There has been an ongoing, but friendly, communication between RBM and the district to get this matter resolved. While we are putting a plan together to move forward, there remain issues that need to be resolved. I do believe that God has a plan in this situation and that there are reasons behind this that are only known by Him. Please pray that in this process our God is glorified.

Thank you for your prayer and support. Several other school officials have expressed their gratitude for this ministry. Those "thank you for what you do" statements go out to you as well. We are so privileged to partner with friends like you.

Sincerely,

Dave and Wendy
