

O come let us adore Him
Christ the Lord

December 2022

Dear Friends,

This December we are teaching *God Gives Us His Son: "The Three Gifts of Christmas."* In this lesson, we focus on three gifts that we can enjoy all year long: God gave us His Son, the Son gave His life for us, and we can give God our hearts. I pray that the boys and girls, as well as the rest of us, celebrate the joy of these gifts this Christmas season.

As far as ministry goes, we are hoping for a January restart to the classes that have been delayed due to decisions made by one of my districts. The people at Michigan Center Bible Church and I were able to distribute 70 – 80 permission slips to parents and students by handing them out on the public and church property across the street from one of the schools. Please pray that we have many returned to our drop box outside of the church. I also plan on a small mailing to some former students' parents in the hope that some slips will be returned to me. Again, I ask, please pray. As far as the rest of the classes, things are going pretty much as planned.

Thank you all for your prayer and support. The world around us may be going a little crazy; but, God be thanked, we can have peace. Merry Christmas and a Blessed New Year.

In Christ,

Dave and Wendy
