

***Ron and Luisa Ogan live in Scottsdale, AZ***

In February we spent a delightful time with Ron and Luisa, Loving Well participants who have a ministry in Columbia, as well as at Phoenix Seminary, where Ron is board chair. They are eager to find ways to minister to other couples using what has helped and blessed them.

***Dr. Wally and Karen DeSmet are Ministry Associates in Phoenix, AZ***

Wally and Karen have been instrumental in the spread of Loving Well in nine Spanish speaking countries, as well as leading local groups in their area. They are valuable partners with us in this ministry and have had great impact on missionaries and pastors.

Carlos and Chelita became Ministry Associates last year. Since then they have been actively leading Loving Well groups, counseling couples and missionary organizations about the importance of strengthening marriages. Maybe it is because they have high aspirations for their four beautiful daughters to have godly marriages!

***The most recent Loving Well group in Argentina***

We are excited to connect with these couples and others in Texas and Michigan as God uses the Loving Well Marriage course to help families become more of who God has called them to be. Thank you for making it possible for us to serve them, as well as helping the couples we counsel at Shepherd's Heart. Coming soon: new doors that God is opening for marriage ministry! Gratefully yours in Christ,

Mark and Mary Bonham
