

*"Serving the Church by Reaching the Children"*

June 2022

Dear Friends,

As I remember how well, as a whole, this last Released Time Bible Class season went, I also remember many other signs of God's favor. The classes did go well, with good cooperation from the schools. Only one school chose not to participate this year. The students that missed class were first and second grade children that, hopefully, will still sign up next school year, either in their school or the next grade up at the other elementary in the town. As we mentioned in a previous letter, we had 16 children trust Christ as Savior this past school year.

Now, back to the other things: Grandpa Dave and Grandma Wendy had two grandchildren, Riley and Elizabeth, who graduated from kindergarten, and a grandson, Tyler, who graduated from Jackson College. We are enjoying the slower pace that comes with our place in life, although both Wendy and I are still working. Children are still a big part of our life, as we help out with the grandchildren and I work with children at RBM, and Wendy works at Britton Deerfield Schools. God has been faithful in His provision and protection, and you have been much of the means that He has used.

Thank you for your continued prayer and support. With God's help, we hope to have more seasons of fruitful ministry.

In His service,

*Dave and Wendy*
