

Ken & Andrea Jack | 915 N. Hartwell Ave, Waukesha, WI 53186

'Tis the day 'fore December and thoughts fill our minds  
Of people we're thankful for, with adventures besides.  
There are coworkers, students at Ethnos360 Bible Institute--  
Ken keeps houses repaired; Andrea watches "Littles" so cute!

This summer was time to visit family at long last,  
Now that the worst of the pandemic has passed.  
First we visited Ken's parents in Arkansas; then  
Amtrak carried Andrea and her Mom to a sister in Mass'.

James has moved near us, a job in welding did find.  
Sarah, high school senior, loves Art & Design.  
Samuel's found friends in 8<sup>th</sup>-grade football and soccer.  
Christina studies nursing, thanks to Mom's housing offer.

Ethnos360 graduates in leadership worldwide.
