Will there be GNC?

A good question, answers of which have been changing every few days along with new guidelines from the state government. We are not planning on having club meetings in schools currently. Most of our staff are considered “high risk” due to their age, and masks are required for all with restrictions on visitors to the schools. We know the Lord can do anything, but we will share with the students in the schools our online GNC. Thank you all for your prayers and support for the GNC and 5-Day Club ministry that we are able to have this year to reach the children in our community!

Colossians 4 says to “make the most of every opportunity” and that is what we are doing. We want you to share with children you know an amazing opportunity they can have on their iPad, and phones.

CEF on I Tunes has a safe and free site called UNITE. You can watch GNC each week called **Good News TV** and there are lots of children’s songs and memory verse videos to sing on this site also.

Online resources help: cefonline.com/covid19. Many ideas and programs for kids can be reached on this site for you to share.

CARES ACT allows for up to \$300 per taxpayer (\$600 for married) in an above-the-line deduction for charitable gifts made in 2020 and claimed on your 2021 tax bill. This means you can lower your income tax bill by giving to CEF using standard deductions.

Summer ministry began with a list of festivals and the fair we were scheduled to be at. CEF received cancelation letters with the statement, “will miss you but please schedule for next year.” We contacted volunteers willing to host 5-Day Clubs in their backyards. So, children sat on a beach towel 6ft apart and we could sing and learn the One Way to get to heaven CEF lessons from the Bible.

5-Day Clubs held - 7	48 kids
Special Party Clubs held – 5	40 kids

One boy asked Jesus to be his Savior on the last day of the last club. The children were so glad we came to their neighborhood to learn about Jesus in a fun way!!

Thanks for your faithful support for CEF!
