Merry Christmas

Thank you for supporting *CEF* in Jackson County in the midst of all the challenges that are going on around us. We continue to press on and find ways to share the Gospel with the children—the child I have not met yet who I know longs to know about the God who created this Earth and hear about the love of Christ, the child that does not even know about the gift of salvation. The CHRIST CHILD that came as a baby in a manger changed the world. Your continued prayer and support allow us to present the gift of the Gospel to the one child we hope to meet.

“All the Christmas presents in the world are worth nothing without the presence of Christ.” – Dr. David Jeremiah

Good News Clubs

Good News of Great Joy is what we can bring to children this winter in the *Good News Club®* ministry. We have 15 GNCs going on in schools, homes, and a church each week. Ethan and Emily are siblings that have been in *GNC™* since they were in kindergarten. Ethan is in the sixth grade this year, so we have enjoyed watching him grow up and grow in Christ. The teachers are making the Bible come alive with great materials that donors have provided from *CEF Press®*. Teachers are so thankful that the Bible lesson and visuals are done with excellence and presented in ways that children can easily understand. Columbia Schools have 57 enrolled in their club and East Jackson school has 70 enrolled – Amazing!!!

Prayer Requests:

These volunteers, faithful for many years to the children, are experiencing painful, difficult days with physical problems. We need and ask you to lift them up in prayer to our loving Heavenly Father: Mary, Cindy, Pam, Jim, Linda, Steve, and Kathy.

Thank you for your gift of prayer for these faithful servants!

Committee Highlight

CEF Jackson County is run by a committed group of Christ-followers who make decisions for the ministry, volunteer many ministry hours, providing prayer, insight, and support for our missionary director Jana.

Jim and Lynne Dodge have been supporters of *CEF* for more than 40 years. Jim has also served on the committee for over 40 years!! Jim has seen hundreds of children come to know Christ through the ministry of *CEF*. We are so thankful for the faithful service Jim and Lynne have given to *CEF* over the years. Thank you for your concern and care for the children of Jackson County.
