## Children reaching Children

In December I had a Wordless Book Training for the students at Fellowship Christian Academy. Zane spoke up and said he had been waiting to learn how to lead a friend to the Lord he had been talking to and even gave him his own Bible. One of CEF's faithful donors, Cassie read it in the newsletter and contacted me to ask if she could give Zane and his friend a new Bible. Zane was so excited to get a new Bible and began to have devotions every morning at the daycare he is at before school (6:30am). One morning he shared with a boy the Gospel and he asked Jesus to be his Savior. Zane loves to share what he is reading in his Bible and devotion book!!!

## New Committee Member

We are happy to welcome Heidi Morton to the committee. She had been volunteering at the Interfaith Shelter and asked if we could have a GNC for the children that were there every week. I had never thought that children were also at the homeless shelter and I was so thankful that she enlightened me with that information. We have enjoyed going every week and seeing Marshawn. He is the only one who has been with us for 4 months. We have found we may only have a few weeks before they are gone. It is important to explain who God is, and that God loves them, and the Gospel. The children know so little about God. Our committee is so thankful for Heidi's great idea!!!!

## Good News Clubs & 5-Day Clubs

We are excited to share with you that we had 7 Good News Clubs with 83 children able to be in clubs and 10 asking Jesus to be their Savior.

**NEEDED:** 1. Yards to host 5-Day Clubs in YOUR neighborhood. Our team will come prepared and do your 5-Day Club or VBS with their own supplies for teaching, treats, and games. 2. Extra Donations designated for the snacks, and supplies. Call Jana at 745-0811 to schedule an exciting club in your own backyard or VBS in your church.

**Thank you** for taking the time to read this newsletter, for being involved in this ministry and for helping us reach the world's largest unchurched people group...Children!!!
