Praise the Lord we attended a live graduation on Saturday!

90+ seniors graduated from Ethnos360 Bible Institute-WAUKESHA.

This spring's graduating class is larger than we have seen in a long time since the two campuses were combined for the first time. Again, we praise the Lord!

More than one graduate quoted a teacher who said that the rest of their lives will be like building a house on the firm foundation which was laid at EBI. Each student has completed two years of studying the entire Bible.

We want to highlight two special married couples we got to know this year. Pray for the Shulers (in the middle) as they drive back to Alaska this week (where they live and will be working full-time at a Christian camp). And pray for the Hills as they are sticking around just long enough to have their first baby in July before heading back to Missouri.

Sue worked in childcare with 3-year-old kiddos of students and staff once a week this year. These mornings were a challenging and fun change of pace. One of the main benefits is mentoring the Interns (recent grads) she worked with. We had a fun end of semester lunch and mini-golf day on Friday.

Rachel (in the tie-dye shirt) is raising financial support to be the full-time missionary director of Child Evangelism Fellowship in her home county. Alice (far left) is headed to MTC in August for missionary training with the goal of ministering overseas with Ethnos360 Mission.

We would appreciate your prayers:

- For these summer months: We will be continuing to learn all that our new positions entail and getting organized much better for the new school year in August.
- We're headed to Sun City, Arizona, this Friday to see Sue's family (we haven't seen them since right before Covid hit). We will celebrate our 40th wedding anniversary in Sedona, Arizona this weekend.
- For patience and Spirit-led attitudes and actions as we continue to get to know and develop teamwork with all of our co-workers. This has been the hardest aspect of our move to Waukesha if we are being truly honest.
- For our financial support. The Lord has been Good, and we have seen our support hold steady at 77% of our recommended monthly support through these difficult times. We know many are still out of work because of the Covid lockdowns and that the inflationary pressures from Covid are real and are affecting everyone. Pray for the Lord to provide opportunities for us to share our ministry with others who may want to and are able to join our team.
- Todd has been invited to be on the Leadership Team of the school. Sue is on a smaller leadership team for the staff ladies. Pray for each of us and for these teams as they desire to lead our school in a wise and God-honoring way.

Good news! We just attended for the first time a smaller church about 20 minutes away that seems like it will be a good fit. We've been missing the feeling of "family" since leaving Ganson Street Baptist Church in Jackson. This one feels like home.

We love you and thank the Lord for all of you,

Todd and Sue
