Our Volunteers are serving

We could not do this without the grace of God shown through our volunteer ministry partners. Words cannot fully express our thanks, but we would like to try. Thank you for your investment of love, time, devotion, prayer, and offerings that allow us to take the Good News to many children. Praise the Lord for 2022.

Committee Remembrance

CEF Jackson County is run by a committed group of Christ-followers who make decisions for the ministry to our children. Linda Morton served 9 years, and Dale Sterrett served 18 years on the committee. God called both to their eternal home in heaven this year and we miss them so much, but we were blessed by their faithful service to CEF. God used their talents for His glory in this ministry. So, if you've been thinking that what you have to offer is not needed or useful, think again! *CEF* needs you!!! We are forever thankful for your concern and care for the children of Jackson County Dale Sterrett and Linda Morton!!!

Good News Clubs

Kids from all over the county are back to school and back in *Good News Club*®! Over 250 children are hearing the Word of God this winter in ten different schools taught by faithful volunteers. You can help us in our mission to **evangelize** children with the Gospel of the Lord Jesus Christ, to **disciple** them in the Word of God for Christian growth, and to **establish** them and their families in the local church for Christian living. - Pray for the children in *Good News Club*, that they would be tender to the call of the Holy Spirit. Pray also that God would bring laborers to the harvest. - Share the *Good News Club* ministry with your friends and church leadership. Invite others to join with you in supporting this ministry. - Serve as a volunteer in a local *Good News Club*. We will help train and equip you to work in one of the following club locations in Jackson County that are already established clubs: ♦ Columbia ♦ EJ ♦ Eby ♦ Keicher ♦ Fellowship Academy ♦ Parma ♦ Warner ♦ Grass Lake ♦ Interfaith Shelter ♦ Mt Hope Bible Church ♦ Springport ♦ Paragon Academy. Many schools could be opened to clubs, but we are waiting for willing and trained teachers and helpers to go and reach the children with the Gospel. Again, I say- So, if you've been thinking that what you have to offer is not needed or useful, think again! *CEF* needs you!!!
