

HONDURAS CHURCH PLANTING

Dear brothers and sisters, greetings in Christ.

We pray the Lord's blessings to be on your lives.

Here are some updates, as well as some reasons for prayer and praise!

RENEWAL OF PREACHING IN LENCAS COMMUNITIES

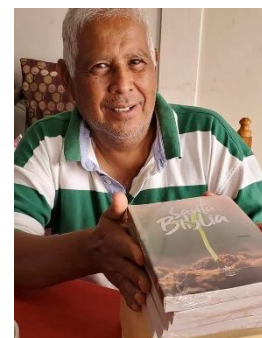

The preaching of the word of God has been restarted in several indigenous communities, which was restricted for reasons of coronavirus prevention. Here I was sharing in the community of EL naranjito Opalaca some basic principles of the Bible.

BIBLES.

We continue raising money for Bibles and donating them to people. Many sadly lost theirs in the hurricane flooding last November.

We were also facilitating special Bibles for pastors and others. A great demand for Bibles has emerged in the pandemic. If you wish to donate funds for Bibles it will be a great blessing.

BEGINNING OF CLASSES INSTITUTO BÍBLICO LENCA

Pray for the start of classes for the Lenca Bible Institute for 2021. We have 50 students in 5 locations. Pray for them and their families during their time of study (the Bible and Theology classes are extremely impactful!). These are the future pastors, preachers, and evangelists for Central America! Pray for their finances as the monthly support budget is \$1,000.00 for food and support materials.

BAPTISMS

We have been performing many baptisms for people who have received the Lord. In just the past few weeks, we had 25 baptisms!

Pray for excellent resources, such as:

- Motorcycles for pastors - **Project 92925V (Lenca - Motorcycles for Church Planters)**
- Goats for very needy families - **Project 92925O (Lenca Farm)**

Thank you very much to all of you, friends. We feel very blessed to be able to carry the Gospel and to start churches in the mountains. Please pray for me and my family, that God gives us wisdom of how to do His will more effectively and to glorify Him in all that we do.
