It was a very blessed time.

DONATION OF SCHOOL SUPPLIES

Every year in the month of December we collect a special offering to help some families with school supplies for their children. Especially the children of the pastors

Classes in schools resumed in February. So we had the opportunity to donate school supplies to several children. In total we have been able to help 120 children, with the donation of funds from several brothers in Christ.

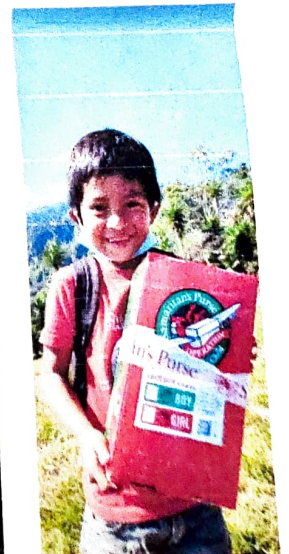

visit of the first short-term mission group in 2 years

with the pandemic in 2020, everything stopped. And it was a great blessing to be able to receive the visit of the first short-term missionary team in two years. They came from North Carolina and stayed for a week, they helped us do evangelism and present the Jesus film. It has been a great blessing.

DELIVERY OF GIFTS FROM THE SAMARITANS PURSE CHRISTMAS CHILD OPERATION PROJECT

Another program that touches the hearts of many families is this. OCC of Samaritans Purse. Seeing the children enjoying this and helping them open their boxes is priceless. Thank you very much brothers who support this program, and others like it. a great opportunity to evangelize many children by sharing about the best gift that is Jesus in their lives.

LENCA BIBLE INSTITUTE

One of the programs that is the heart of our ministry is the preparation of leaders to assume leadership in new churches.

This February, the classes of the Lenca Biblical Institute

began with 81 students in 5 places. Where are the classes being taught every weekend. Bible, Theology and ministry. Thank you for supporting this program.

YOAMI'S BIRTHDAY

This month of march(24) my dear wife and my missionary partner Yoamy had her birthday. We celebrate with a dinner in home, whit all local family. (11 brothers and sisters and their children) It has been a blessing to work together and share our lives. In this photo, she is next to her best friend, our sister in Christ, Maria Elizabeth.

Opening of the restoration center for Alcoholics.

This February we started an alliance with a ministry that helps people in addiction. With the purpose of rescuing and freeing from alcohol many Lenca Indians who are lost in our city, they are trapped in addictions. The response has been very good and we have 20 people. We are using the Bible school building to house them and have a restoration process in their lives. We do not have all the necessary funds, but for now with local donations everything has been going well.

Finally, to invite you to come to Honduras, it would be a blessing for us to receive you here.

We love you in Christ
