The most students since Covid! Online classes too.

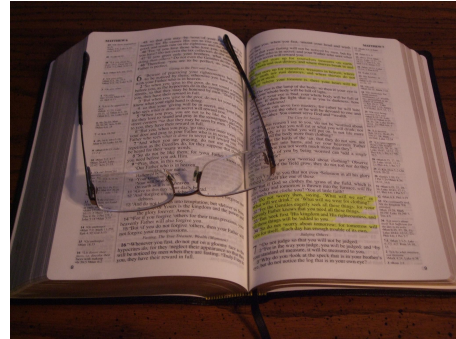

A new school year at Ethnos360 Bible Institute started this week! The chapel auditorium was renovated this summer to expand seating, and every seat was filled with students singing and worshipping the Lord for the opening kickoff. Everyone's enthusiasm and excitement to be here is so encouraging.

We have welcomed 107 freshmen (a big class!) and 97 returning upperclassmen. We also have another 80 online students from around the world enrolled in our online program.

Did you know that EBI now offers its Bible program online? We are now able to train believers in parts of the world where travel to the US is not possible or even allowed. EBI is offering three online mini-courses for free!

Check out the [free EBI courses](#) and dig into God's Word. Enjoy and feel free to share this great opportunity with anyone who may appreciate free Bible courses.

Todd had to step back from teaching this fall to focus on many time-sensitive projects regarding school finances and contracts for EBI's accreditation submission (hopefully in October). He admits to feeling some sadness not being in class on the first day of school, but the Lord encouraged him with so many students expressing disappointment that he wasn't teaching Genesis to the freshmen this semester. Many upperclassmen have said it is one of their favorites.

Todd has been working with Ethnos360 in Florida on updating support levels for our missionary staff. We are all feeling it – inflation has presented real financial challenges. If you would like to know how to pray for us about our finances, check out our [support update](#) on our blog. We really appreciate your prayer.

We are looking forward to having students in our home for our weekly Bible study, which will resume in a couple weeks. This year we will read and discuss Walking in Victory, by Dennis McCallum – another “classic” focused on spiritual growth.

Once again, we thank you for your support of this awesome ministry!

Love in Christ,

Todd and Sue
