Greetings from still snowy Wisconsin! We are hoping and dreaming of Spring!

We are over one month into this new semester already. All our “regular” things are happening: Bible study with a group of students on Tuesday nights and pre-pre-marital counseling with a sweet young couple. We both find ourselves in a variety of meetings as it seems like “consolidation” of the two Bible school staffs is complete, but there is much reworking and defining of responsibilities being clarified. Much of what we are doing in that regard is administrative in nature. It is a necessary “building” time that we get to be part of.

The last half of the semester will be busy:

Todd will teach two classes, including an

updated class on raising support as a

missionary. Both of us have been asked to do a half-hour "break-out" session for the students on the topic of "Valuing your Supporters" on February 28 as part of Mission Emphasis. Sue has taken the title of "Director" of the Ladies Ministry Team. Another "extra" blessing has been listening and helping grade student speeches.

We are so thankful for our "new" church family at Kettle Moraine Community Church! We are getting more involved and connected with this caring body of believers who love us, support us, and desire to be our friends. One of the biggest things we have learned in moving to Wisconsin is how comforting and settling it is to have the community of a good church family. We have been incredibly blessed by the study of [1 Corinthians](#) our pastor is currently leading the church through.

Prayer and Praise:

- Pray for the sale of the old Jackson Bible campus. We had an offer, and we were so excited it looked like it was sold, but a few days later the deal fell through. We know that the Lord has just the right buyer out there.
- Praise the Lord for [His increased financial provision](#). He continues to amaze us. One-time gifts and new monthly support have us up to almost 80% of our recommended support.

We thank the Lord for you.
