LENCAS FROM HONDURAS

Greetings dear brothers and friends.
We hope you are well reading our letter.
Once again we say thank you for your support
for a church plant among the Lencas of
Honduras.

Here some news of our missionary work in the
mountains of Central America

WORK IN THE CAMP

Our camp in Yamaraguila continues to advance. We are focused on enabling the dining room and kitchen. The bathrooms are ready. We had a youth camp and a medical brigade has been a great blessing to many. We are also giving water from our well to the village school.

We still need help to build the dormitory area of the camp.

We have already started the construction of the green area for children's games.

AID PROJECTS AND HUMAN DEVELOPMENT

Three programs that are having a great impact on the lives of Lenca families. Sewing workshop, carpentry school, and school supplies project.

These projects are gaining strength and allow us to help teach skills to young people and women, with good times where we share biblical teachings.

REPAIR OF LUCY'S HOUSE.

In addition to this we were able to support Lucy; she is a single mother who lost part of her house, a tree fell. With the young students of the carpentry school, we restored the damaged part.

OPALACA

In the planting of churches in Opalaca, we are in the stage of training leaders and mapping the villages in which we will start the new churches. We have 28 villages without churches in this region.

PRAYER REQUESTS

- 1) Pray for wisdom so that I can guide the new leaders and be a good mentor to them as I share Biblical truths and resolve conflicts that arise.
- 2) Pray for short-term mission teams to come help us build the camp.
- 3) Pray for Yoamy's work with Lenca women.
- 4) Pray for the region of Opalaca and the plans for planting churches in this region, that God will open doors for new contacts and houses enabled to fulfill this purpose.

- 5) Pray for Ruth & David who will be helping to translate medical brigades and other invitations from Christian ministries asking us for help.
- 6) Pray for Jesus movie impact
