Good afternoon!**We were back to school this Monday (our Labor Day is the 1st of May, so it was not a holiday here).****We are just finishing a project for installing new child-size toilets for the preschool students. The cost of materials was around U.S. \$800. We don't have the labor cost yet, but the total cost of the project will probably be around U.S. \$2000. We don't really have any budget for these kinds of improvements, so a 1-time donation towards this would be very helpful.****We are starting this year with a plan for me (Reuben) to be at school 3 days a week, rather than 5. Miss Jessemy, who has been appointed as Assistant Principal by the school board, will also be there 3 days a week. This will help me for now, as I really can't continue to do 5 days a week any more.****We had a significant number of students transfer out of the school because the parents were no longer able to pay school fees. This is part of the economic fallout from Covid. We currently have 2 students being sponsored, and we have 6 more students who are in need of sponsorship. (That is, they are being allowed to continue in the school while we look for sponsors for them.) A student can be sponsored for just U.S. \$60 per month. Can you imagine being able to send a child to a Christian school at a cost of only \$60 per month? If you would like to sponsor one (or more) of these students (3 boys & 3 girls), your monthly gift can be sent to the address below, designated for Berean Christian Academy, Grenada. A tax-deductible receipt will be issued.****United Ministries Fellowship, Inc.
PO Box 6835
Glendale, AZ 85312****Please let us know (by email) what you are doing, so we can designate the student as sponsored. We can then send you a picture of the student that you are sponsoring.****In Grenada,
Reuben & Susan Mains**
