Missions Committee

This is a request for prayer as October is a heavy travel month for both of us. I am writing this from London as I wait for my next flight to Africa.

Over the next several weeks, actually between now and October 20th Denise and I will have seventeen flights, combined between us. Marty has nine more and Denise will have eight. Then there are the trains, automobiles, etc. We will have numerous conversations and a major presentation. We will be on four different continents (North America, Europe, Africa and Asia). This is our opportunity to interact with a large number of WorldVenture workers around the world. Oh, and we will continue to interact with workers in all the areas we won't be in. So here are our prayer requests between now and October 20th.

1. All of our flights will fly and be on time. Think connections.

2. Then there is jet lag.
3. God will grant wisdom in each of the conversations that we will be having.
We will challenge where that is needed, encourage, and overall listen and interact well.
4. For Marty's presentation on the Urbanization of the world and what it means for missions.
5. That we will sleep well.
6. That we will stay healthy.
7. In the midst of all that is going on we will rely on and listen to God each and every day.

Thank you in advance.
