Day 10 - My Time

There is a lot that needs to get done between now and when I leave. I have that upcoming German exam, and I always feel like I could and should be doing more studying. I always have the need to be reaching out to new people or churches, but I am now at a point where I am unsure of who to reach out to or how to do it. There are things I need to begin getting sorted out for my visa. I am still involved with my church's youth group. Lastly, since it is hopefully my last summer here, I am trying to be intentional to spend time with my friends and family.

I feel as though I could very easily fill every second of every part of my day and still stress out that I am not doing enough. You may be able to relate. I ask that you pray for the following:

- that I keep my priorities straight and spend time with God daily in prayer and in His Word.
- that I would know what needs to be done and take things one step at a time.
- that I would find rest in Him.

Verses to consider as you pray:

Proverbs 6:6-9
Matthew 11:28-30

Thank you so much for praying for me these last 10 days. So far, this time has been so encouraging to me. I am grateful for the team of prayer partners with whom God has surrounded me. If you are willing, I would ask you to commit to praying another day in July. Together, this 10 Days will become an entire month of prayer.

Month of Prayer

Continue steadfastly in prayer, being watchful in it with thanksgiving. At the same time, pray also for us, that God may open to us a door for the word, to declare the mystery of Christ...

Colossians 4:2-3a ESV
