Day 2 - Development

I am not the same person today as I was when I started taking steps towards university ministry.

- As I have been worshiping with different churches most Sundays, my love for the global church has grown.
- My adoration of God's Word has grown as I have prepared youth group lessons.
- Most important, I am growing in reliance on God to provide and trusting evermore in his timing.

God is using this time to prepare me to better serve Him in Austria. Pray that I will be attentive to His teaching and that I would remain soft and moldable.

A verse to consider as you pray:

2 Timothy 2:21-26

It would be so encouraging to see you at the prayer gathering at my church on Monday the 15th. Click on the button below for more information.
