## Day 3 - Language Learning

Yesterday, I asked you to pray for God to continue to develop me into someone who can better serve Him in Austria. Along the same lines, please pray for language learning abilities. As you can see here, my room currently looks a bit like a classroom.

Please pray that I will take time each day to study the language, that it will stick in my brain, and that I will be learning with correct pronunciations. There are a few sounds that I am finding challenging.

On July 27 I will be taking the A1 German Exam. I will have to pass this before I can apply for my residential visa. Please pray that this would not stress me out and that I would know what to study.

---

WorldVenture has set two different budgets for me. There is a monthly budget that covers the living and ministry expenses once I arrive to Austria; things such as rent and insurance are factored into that budget.

There is another budget that helps cover expenses for things that I will need to get to Austria or begin life in Austria. These are expenses that will not continue to arise monthly. **One example of this type of expense is language learning.**

One-time gifts and any recurring gifts given now will help me with both budgets. If you are interested in joining my financial partnership team, [follow this link](#). If you have any questions, just reply to this email.

Tomorrow evening, we will be hosting a prayer gathering at my church. I would love to see you there! Click on the button below for more information.
