Day 4 - My Sending Church: Baptist Bible Church

My sending church is Baptist Bible Church. They have been so supportive of me, lifting me up in prayer and investing in me so that I grow. I am very grateful to have the support of this church body.

The church has been building onto a golf club house. It has been a great opportunity to build relationships with our neighbors, many of whom have also only recently moved into the neighborhood. Please pray that we use this building as a good tool to worship God, to continue to reach into the community in which we find ourselves, and to disciple one another.

Since I have returned home, I have been involved in my church's youth group. Please pray that these kids would all continue to grow in their relationships with Christ. Two of our kids have just graduated from high school. They are entering a time in their lives where they will be bombarded by more choices and challenges than they probably have been before. Additionally, several of our youth group students are part of the missionary building families and will again be moving to a new place when our church has been completed. Goodbyes are difficult, and they have made good friends here.

A verse to consider as I prepare youth group lessons

2 Timothy 2:15

Speaking of my sending church, **tonight** is the prayer gathering at Baptist Bible Church. I would love to see you there. If you are familiar with the Sparta area, this is the church that is being built at the former Rogue Golf Course. The pictures of the building at the top of the email are from much earlier in the building process, so be looking for what looks like a finished building. However, the **front part is still a construction zone, so please use the side entrance.** Click on the button below if you need more information.
