## Day 6 - Open Doors to New Church Partnerships

Yesterday I asked you to pray for the different churches that have either partnered with me financially or in prayer. God has connected me to churches in different ways.

- I already knew people or the pastors at some of the churches and I reached out to them.
- A friend at one church reached out to me because he knew I was heading to Austria, and they were specifically interested in supporting a European missionary.
- I stopped by a church and accidentally interrupted a cook-out. The pastor offered me a hot dog and invited me to share who I was to those in attendance at their Bible study.
- And God has done things in other ways.

Please pray that God would continue to connect me with new churches that have the interest and availability to support a new missionary.

---

You could help me out very much by connecting me to your pastor, mission's team, or Sunday School teacher. I would love to meet them! Feel free to give them my email address or my phone number: (616) 648 - 4613. I would also love to mail you some information you can pass on to them. If you believe this is a way that you can help me out, then I would be so appreciative.
