## Day 7 - Those Who Support Me Individually

The last two days I have asked you to pray about church partners. However, roughly half of my financial support comes from individuals, couples, or families. Besides churches, I have 40 financial partners, and I have no way of counting how many total people are faithfully praying for me!

Pray that all would use their gifts to serve their churches and that they would be bold to reach their neighbors, their coworkers, their classmates, and everyone within their circle.

For many of us, the summer brings a change of routine. Pray that having kids home or extended family visiting, going on vacations, or other such events will not distract anyone from devoting time to spend with the Lord.

Those on my team are in different life stages. Some empty-nesters, new parents, and single adults all have expressed loneliness. Pray for deep friendships for them. (I know that this will be a big prayer request for me when I make the move too, so I also have begun praying for it for myself.) Pray for everyone in a stage of transition, as they adjust. And pray for husbands and parents, that they would be good leaders in the home.

### Verses to consider as you pray

Romans 12:4-8
